### GREEN LEAF PROGRAM

Siam Bayview Hotel has maintained high environmental protection standards earning the hotel a "Green Leaf Award" from the Board of Environmental Promotion of Tourism Activities. The hotel has initiated many "green" policies including recycling and sorting of waste, energy and water conservation, and use of environmentally sound products.

The water treated at the hotel's waste water treatment system is directed into the city's treatment plant so that none reaches the bay or the waterways of Pattaya. Additionally, rainwater at the hotel is directed from drainage pipes into reservoirs, properly treated and used for non-drinking purposes throughout the hotel.

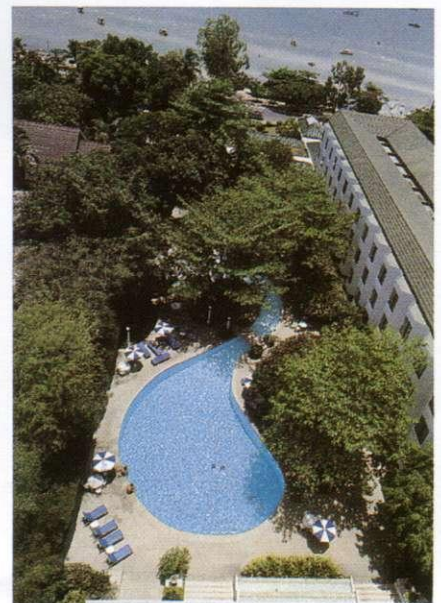

### FIRE SAFETY

Fire safety codes and standards are maintained seriously at the Siam Bayview Hotel. Fire prevention and safety training and exercises are conducted on a regular basis. The hotel is certified by The Department of Protection and Welfare for meeting and exceeding all legal codes and requirements of the "National Fire Prevention and Safety Laws."
